We would like anyone with photos of events over the past 25 years to bring them along to share and if you are in contact with anyone who used to come to church and you think

Churches Together Care Home Services:

The Cottage Care Nursing Home have agreed for churches together doing monthly services. We plan to do them on the first Sunday of each month at 3 pm. The first one will be on the **7th December** and will obviously have a Christmas theme. Please would you let Lesley Busby-Waltho or Jenny Townley know if you are available to be involved in these monthly services. They usually only last half an hour. If you can sing, lead a service or just be there to chat to the residents, that would be great. You do not need to be wonderful at singing; enthusiasm counts for a lot.

Thank you to all who helped in any way with our Harvest Festival weekend. The fresh produce was gratefully received by the Food Share at The British Legion and all other donations were divided between Newport and Dawley Food Banks

Pray with us today....

Creator God, in Jesus you embrace all of our human condition.
In him, you weep with us, lament with us and strive with us for a
world of righteousness and justice.

We grieve with communities, families and individuals in the
beautiful city of London who are afflicted by violence,
who mourn for those lost to its effects,
and who yearn and cry out for a better future.

Send your Holy Spirit afresh upon us we pray –
make us channels of peace; renew in us Christ's
work of reconciliation; give us the wisdom
to know what makes for healing, and to give our
lives for it in his name.

Inspire us to plant and to nurture your seeds of
hope, that your grace might flow in abundance
and all your children know the freedom which is your promise
and your gift in Christ.

Amen.
