- **School in Ghana Project 2025/2026**: Following the successful appeal for beds, chairs, fridge, sink and wheelchairs for the Community Health Clinic in Ghana, the Telford Circuit would like to help with the school. There are pictures and a letter explaining the project on the notice board. We are hoping to raise £6,500. £1,650 has already been raised.

Thanks - At our last Church Meeting, Trinity agreed to support Paul Willmott (you will remember he leads us at Holiday Club) financially with a new project, 'All Aboard', he is creating digitally for use in School Assemblies and which we could use too. Paul writes to thank Trinity Church greatly for this donation of £200 and he appreciates very much our support of him and this further mission.

Pray with us today.

God, whose life dances in and beyond
all creation, whose song resounds
throughout the universe and beyond,
you call us to add our voices to your
harmony and long all voices to be part
of your song of infinite grace.

May we have the courage to raise our voices
to join your song and the sensitivity to
enable all voices to be heard.

May we know and rest in the silence that births
new melodies.

May all hearts echo with the resonance of your love.

May our voices be raised in shouts of protest, in howling cries
of grief and in gentle sounds of comfort.

May we join the yearning choir in the reality of deep lament that
longs for change and brings healing into being.

Amen.

(Rachel Bending, Chair, Southampton District)
