- **School in Ghana Project 2025/2026**: Following the successful appeal for beds, chairs, fridge, sink and wheelchairs for the Community Health Clinic in Ghana, the Telford Circuit would like to help with the school. There are pictures and a letter explaining the project on the notice board. We are hoping to raise £6,500. £1,650 has already been raised.

Thanks - At our last Church Meeting, Trinity agreed to support Paul Willmott (you will remember he leads us at Holiday Club) financially with a new project, 'All Aboard', he is creating digitally for use in School Assemblies and which we could use too. Paul writes to thank Trinity Church greatly for this donation of £200 and he appreciates very much our support of him and this further mission.

Prayer for Learning Disability Week

Monday 15th June until Sunday 21st June.

Loving God,

We thank You for the beautiful diversity of Your creation and for making each person unique, fearfully and wonderfully made.

During this Learning Disability Week, we lift up individuals with learning disabilities and neurodivergent minds. Grant them strength in their challenges, joy in their daily victories and the courage to pursue their passions.

We pray for our wider communities. Open our eyes and soften our hearts so that we may see the value in every individual, celebrating abilities rather than focusing on limitations.

Help us to build truly inclusive, accessible, and welcoming spaces.

Bless the families, caregivers and support professionals who advocate for and nurture those they love. Grant them patience, renewed energy and the reassurance that they are not walking this journey alone.

Guide us all to live with unconditional love and ensure that every person feels a genuine sense of belonging.

Amen
